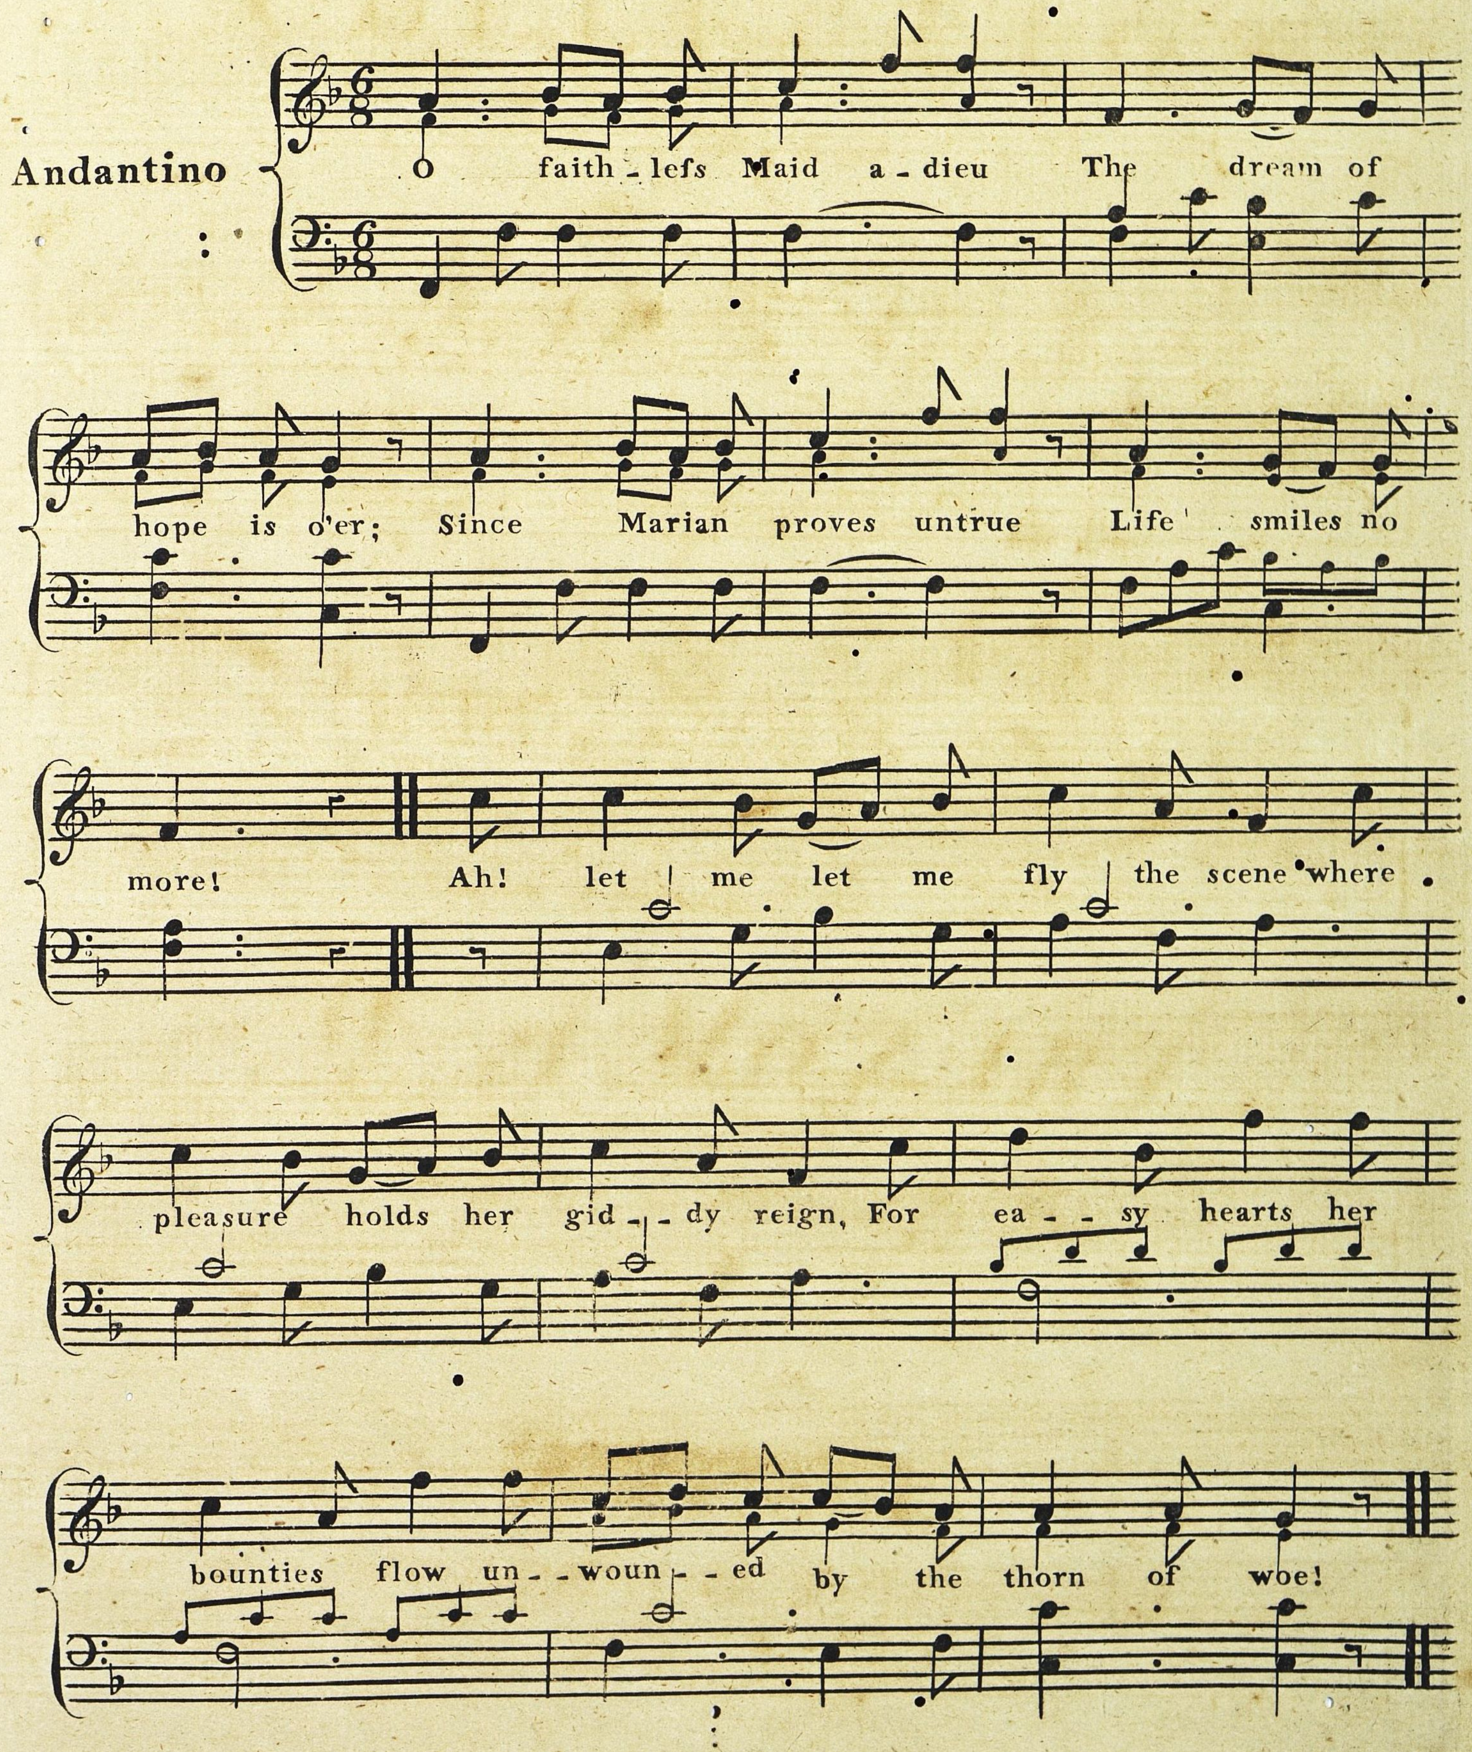
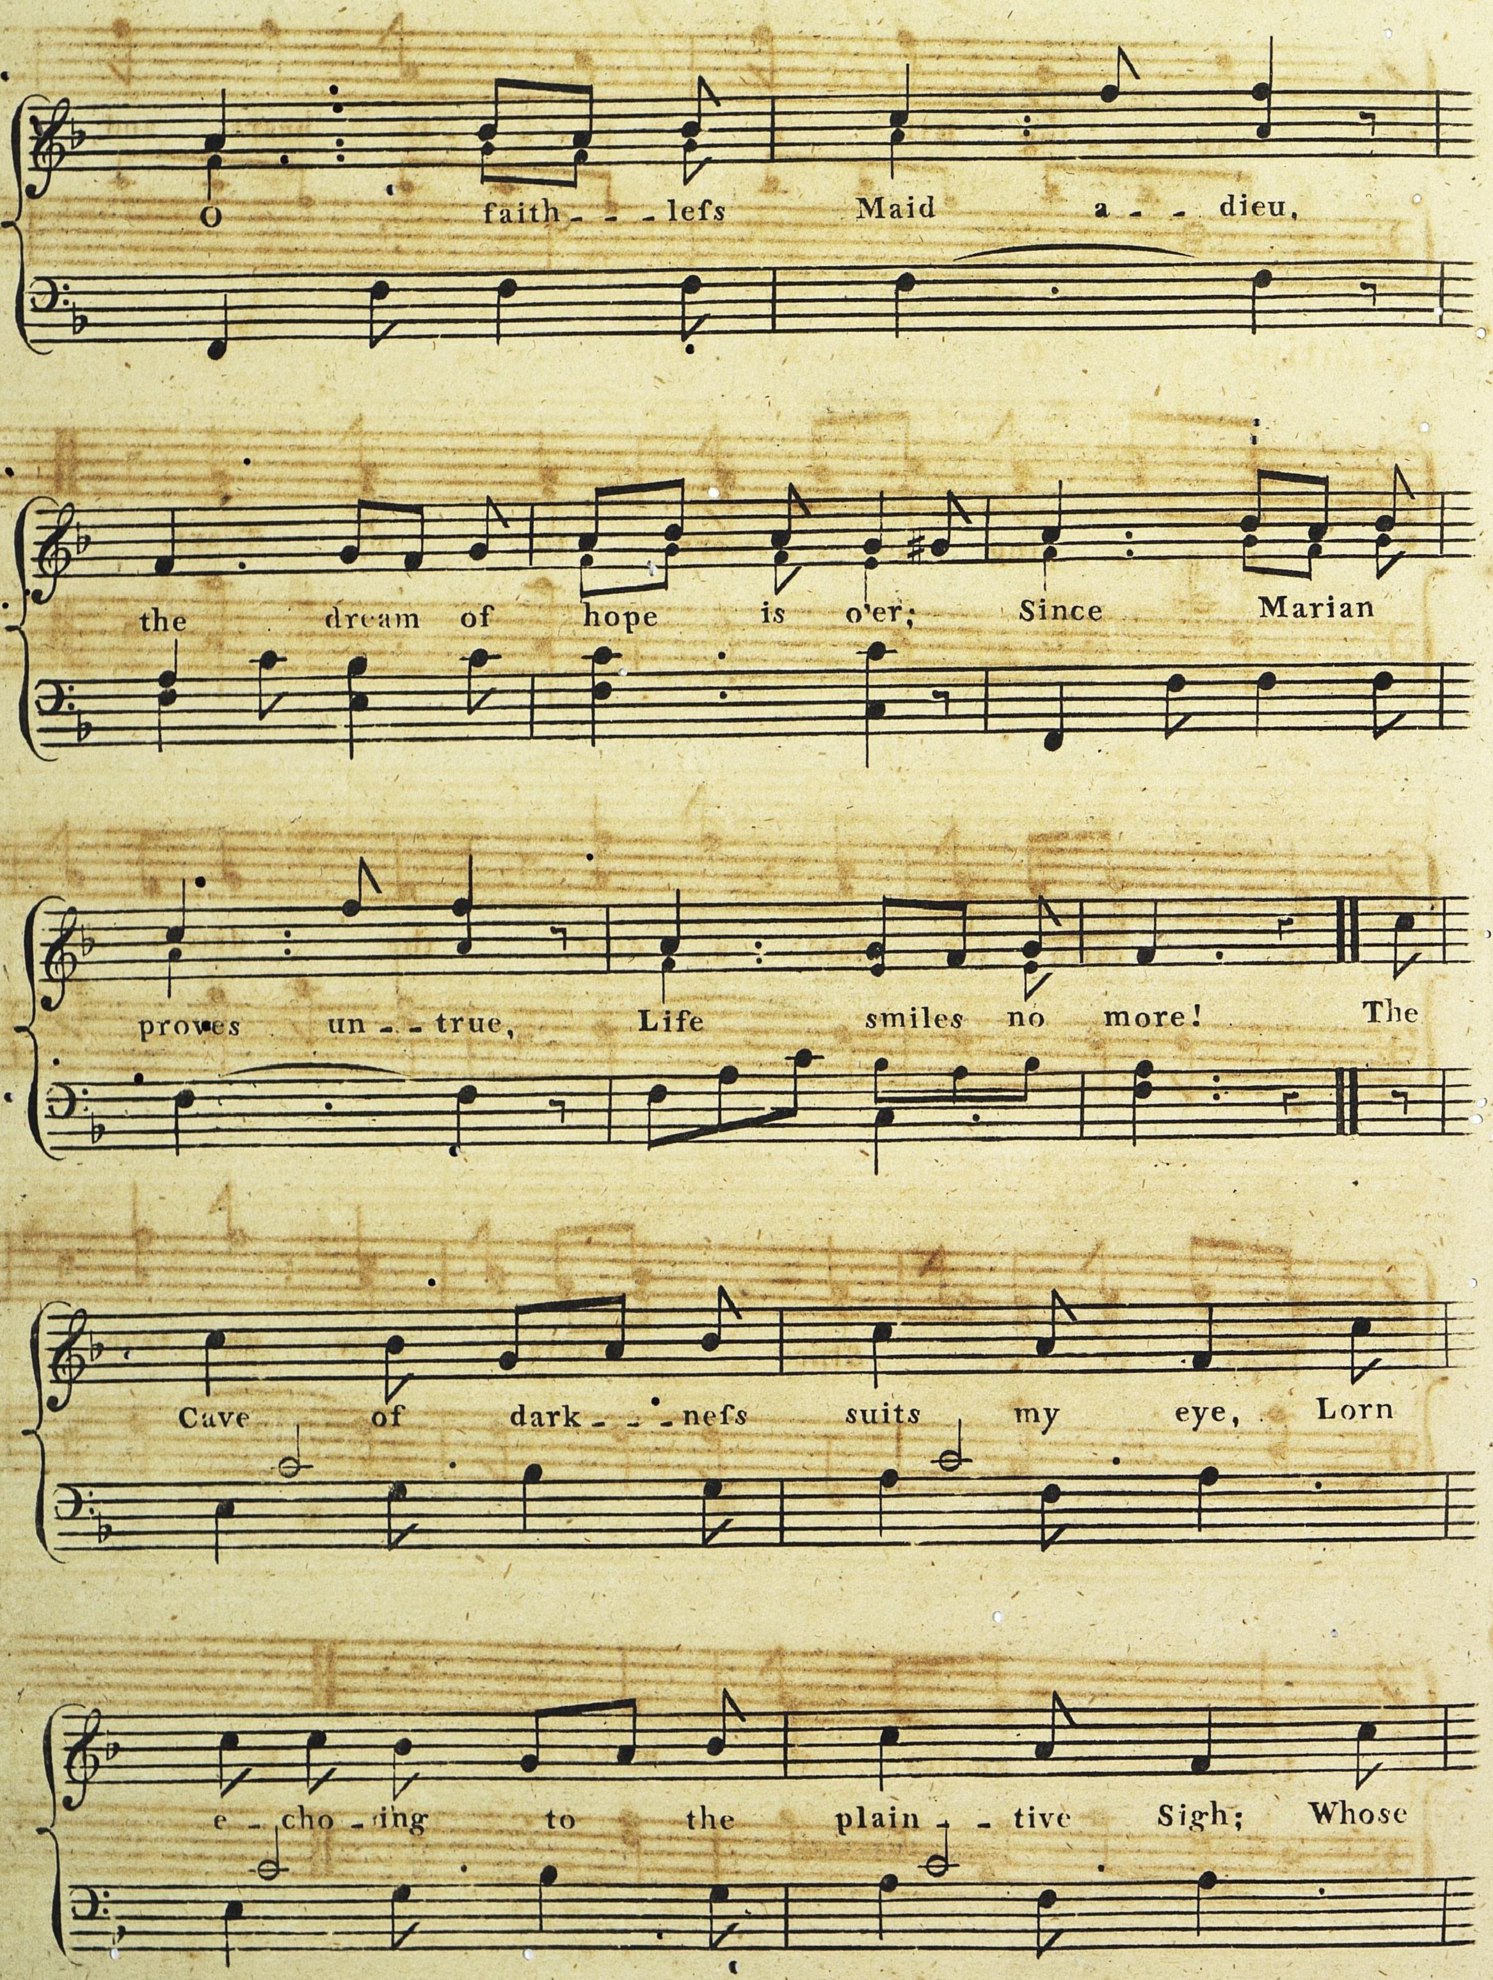
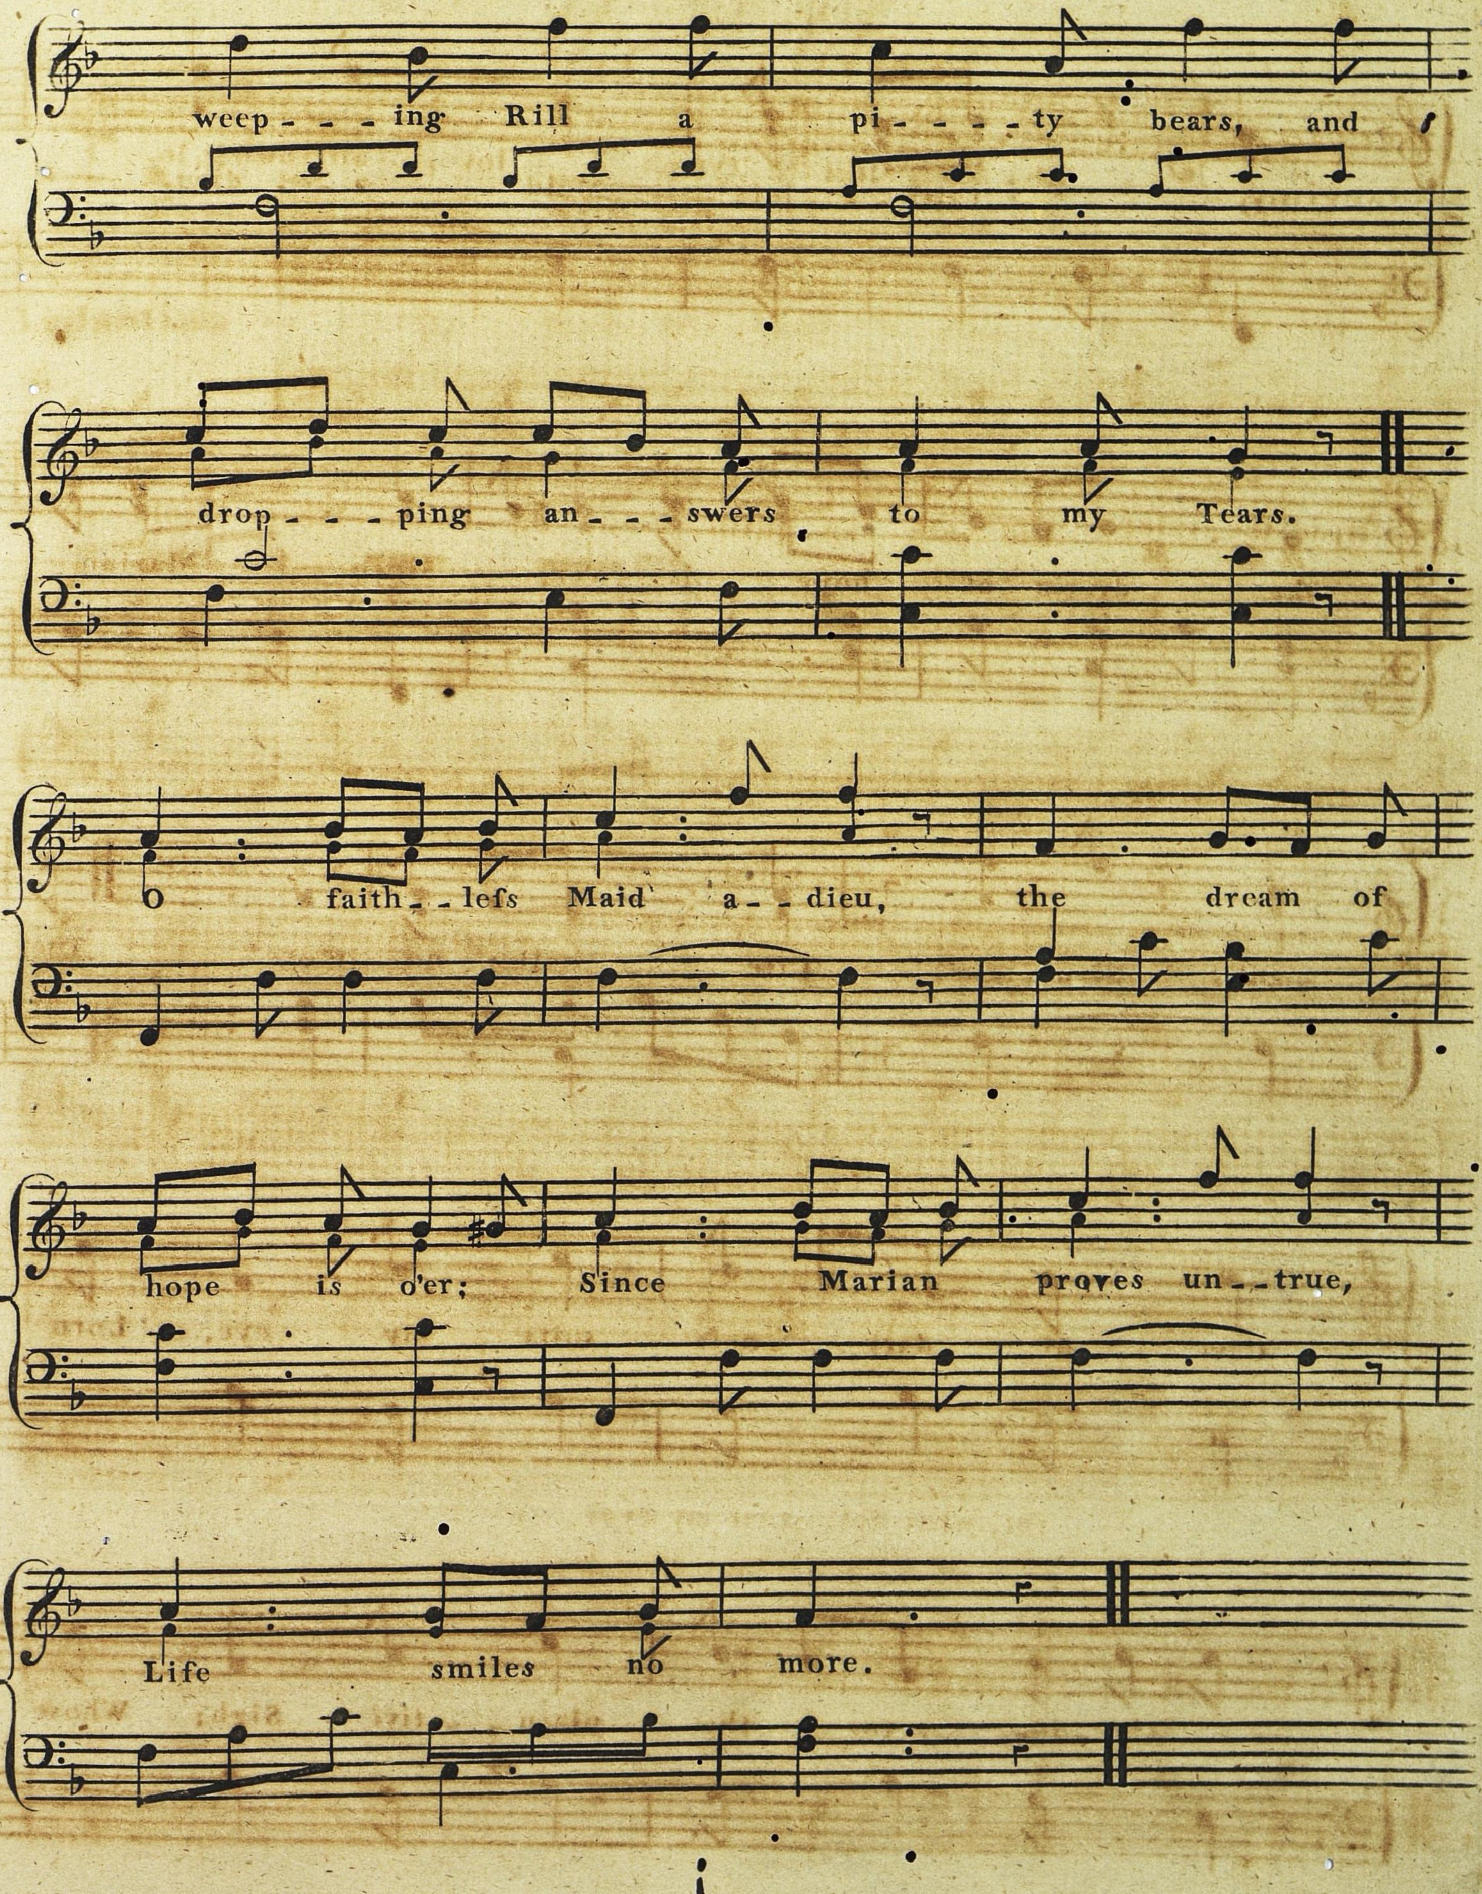
The Adieu

NÄGELI.





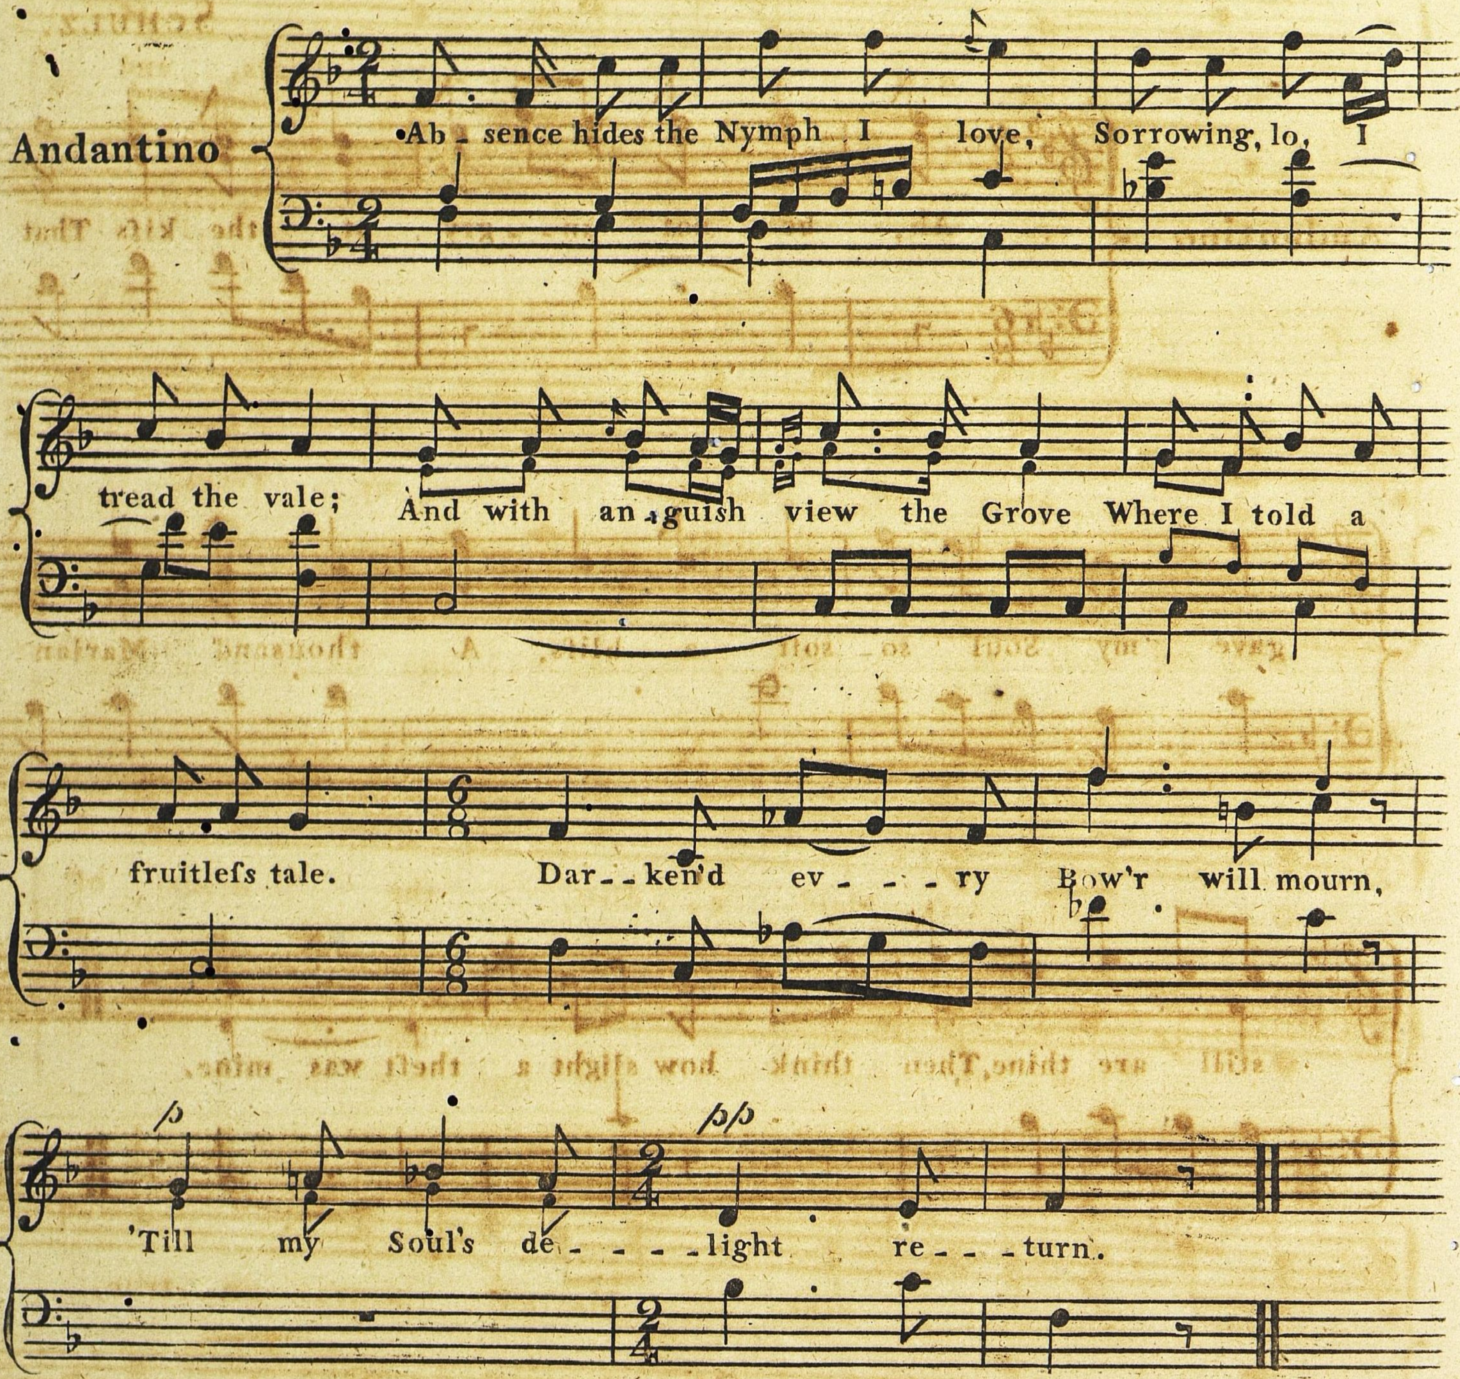
O faith - - lefs Maid a - - dieu,
the dream of hope is o'er; Since Marian
proves un - - true, Life smiles no more! The
Cave of dark - - - nefs suits my eye, Lorn
e - cho - ing to the plain - tive Sigh; Whose



weep - - - ing Rill a pi - - - ty bears, and
drop - - - ping an - - - swers to my Tears.
O faith - lefs Maid a - dieu, the dream of
hope is o'er; Since Marian proves un - true,
Life smiles no more.

Absence

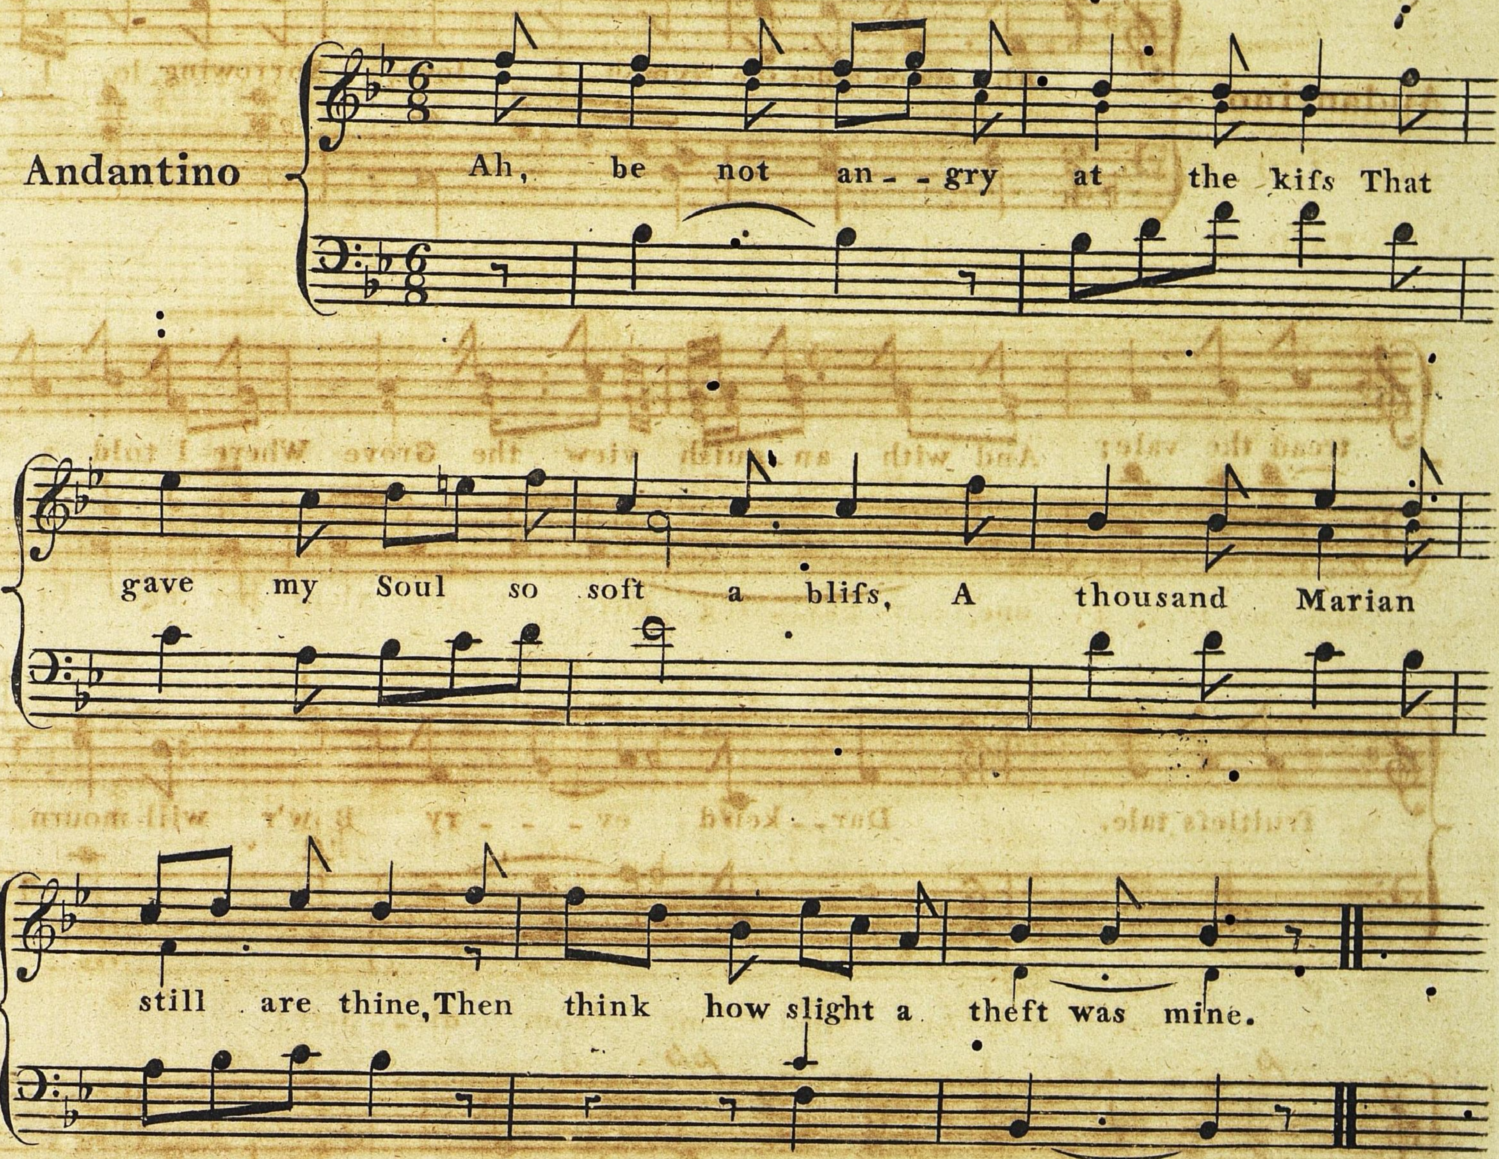
SCHULZ.



Yet, what folly that my eyes
  Wish the beauteous Nymph to see,
List'ning to another's sighs;
  Deaf for ever deaf to me!
Die then all my fond desires!
Love be mute, since Hope expires!

The Kiss

SCHULZ.



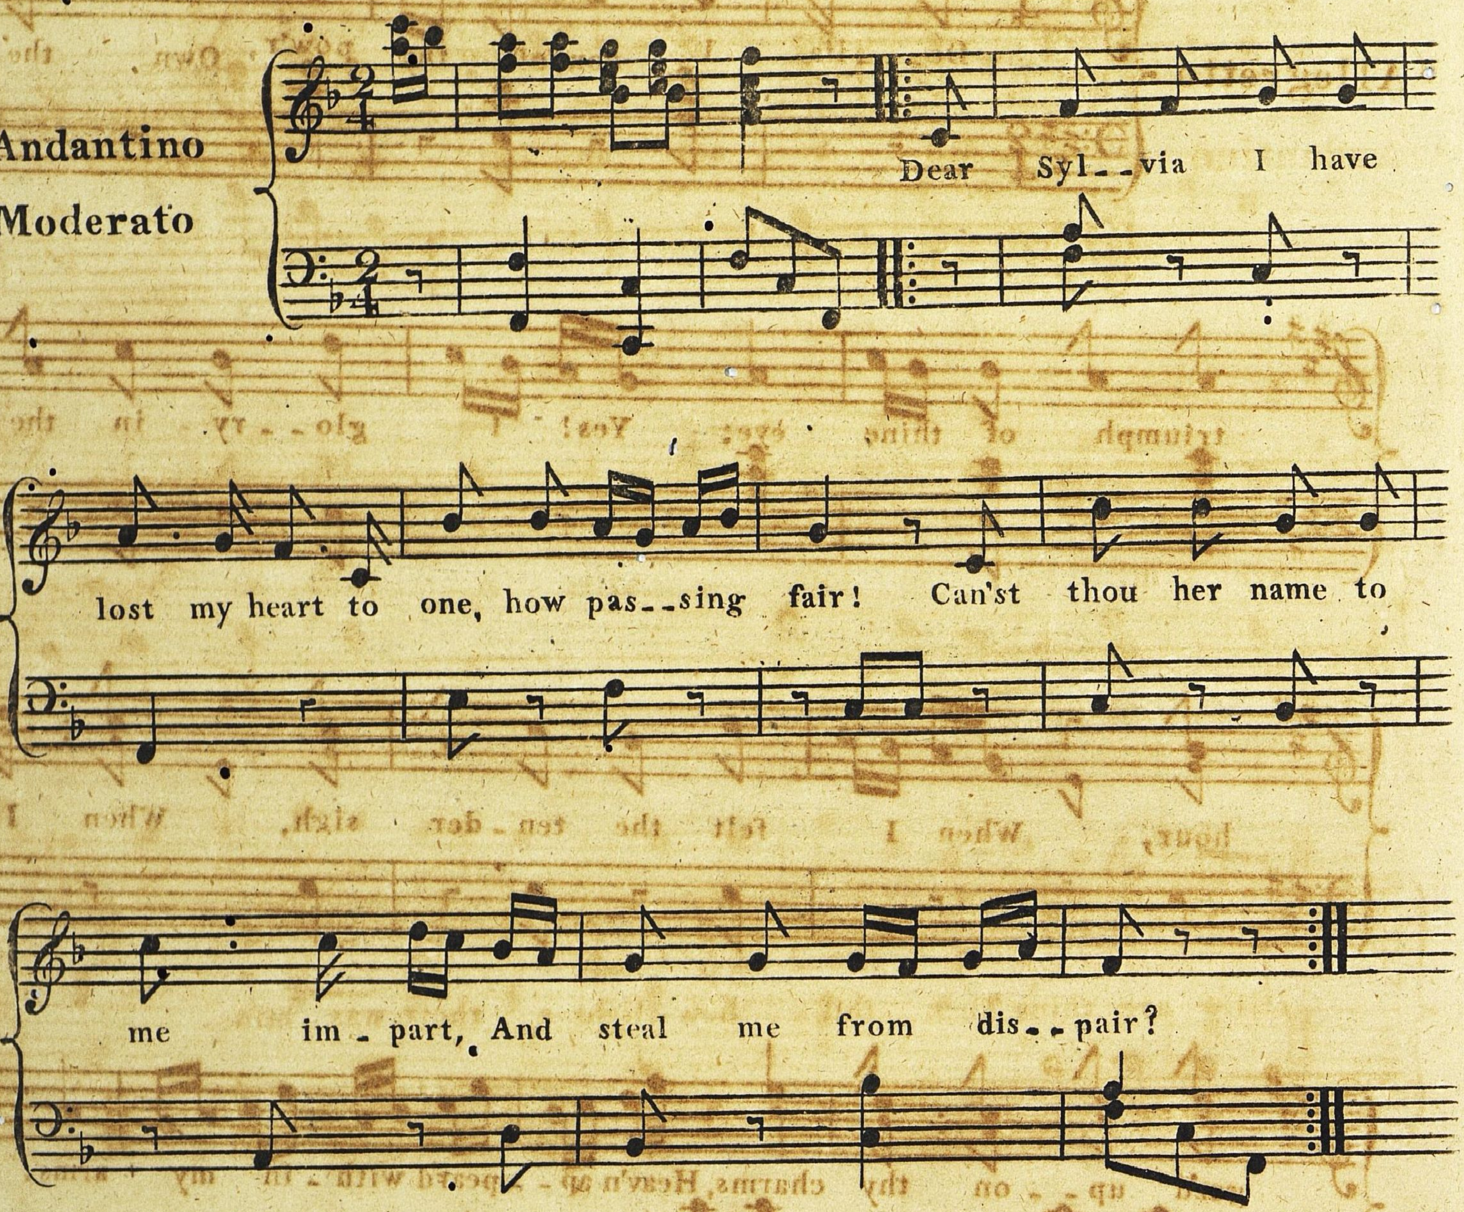
2

From thee, the treasure to obtain,
How often have I sigh'd in vain!
O learn from ev'ry billing Dove,
That Kifses are the food of Love.

The fair Thief

MOZART.

Andantino Moderato

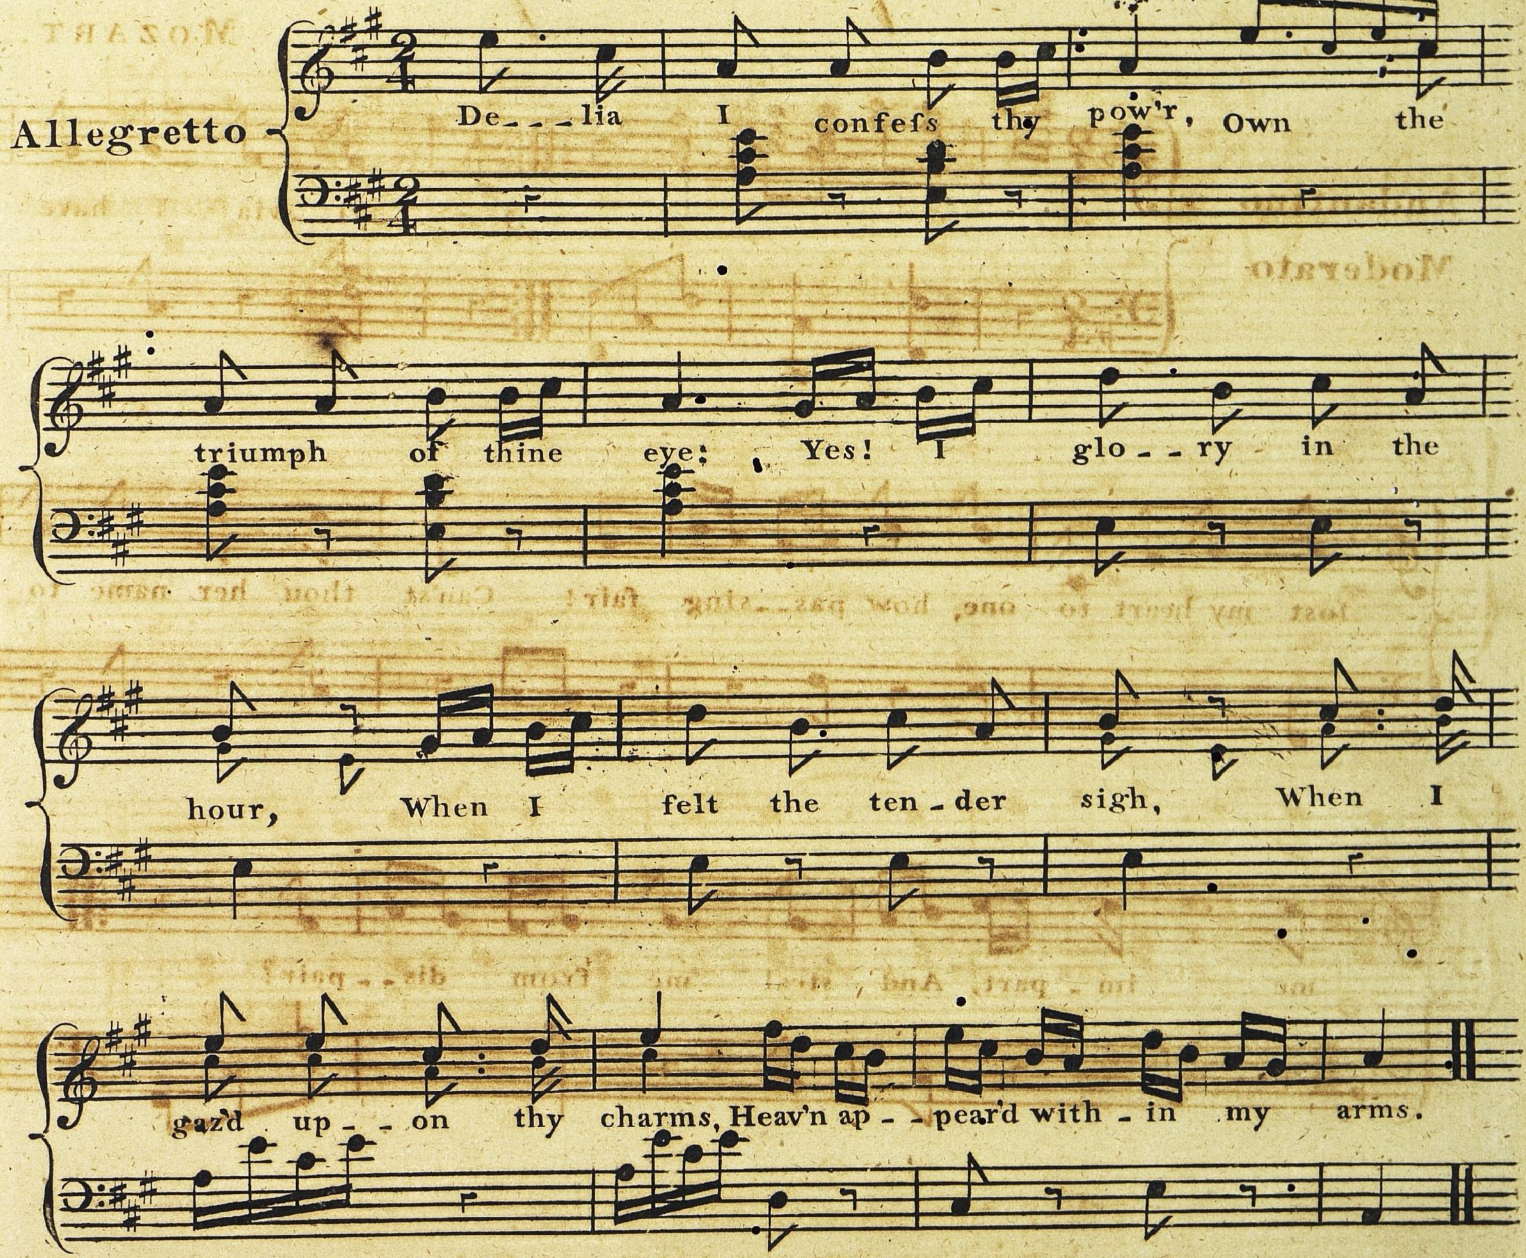


2

O that I could detect the Lafs;
And yet 'tis my belief;
If Sylvia look'd but in her glafs,
She soon would spie the Thief.

The Conquest

SCHULZ.

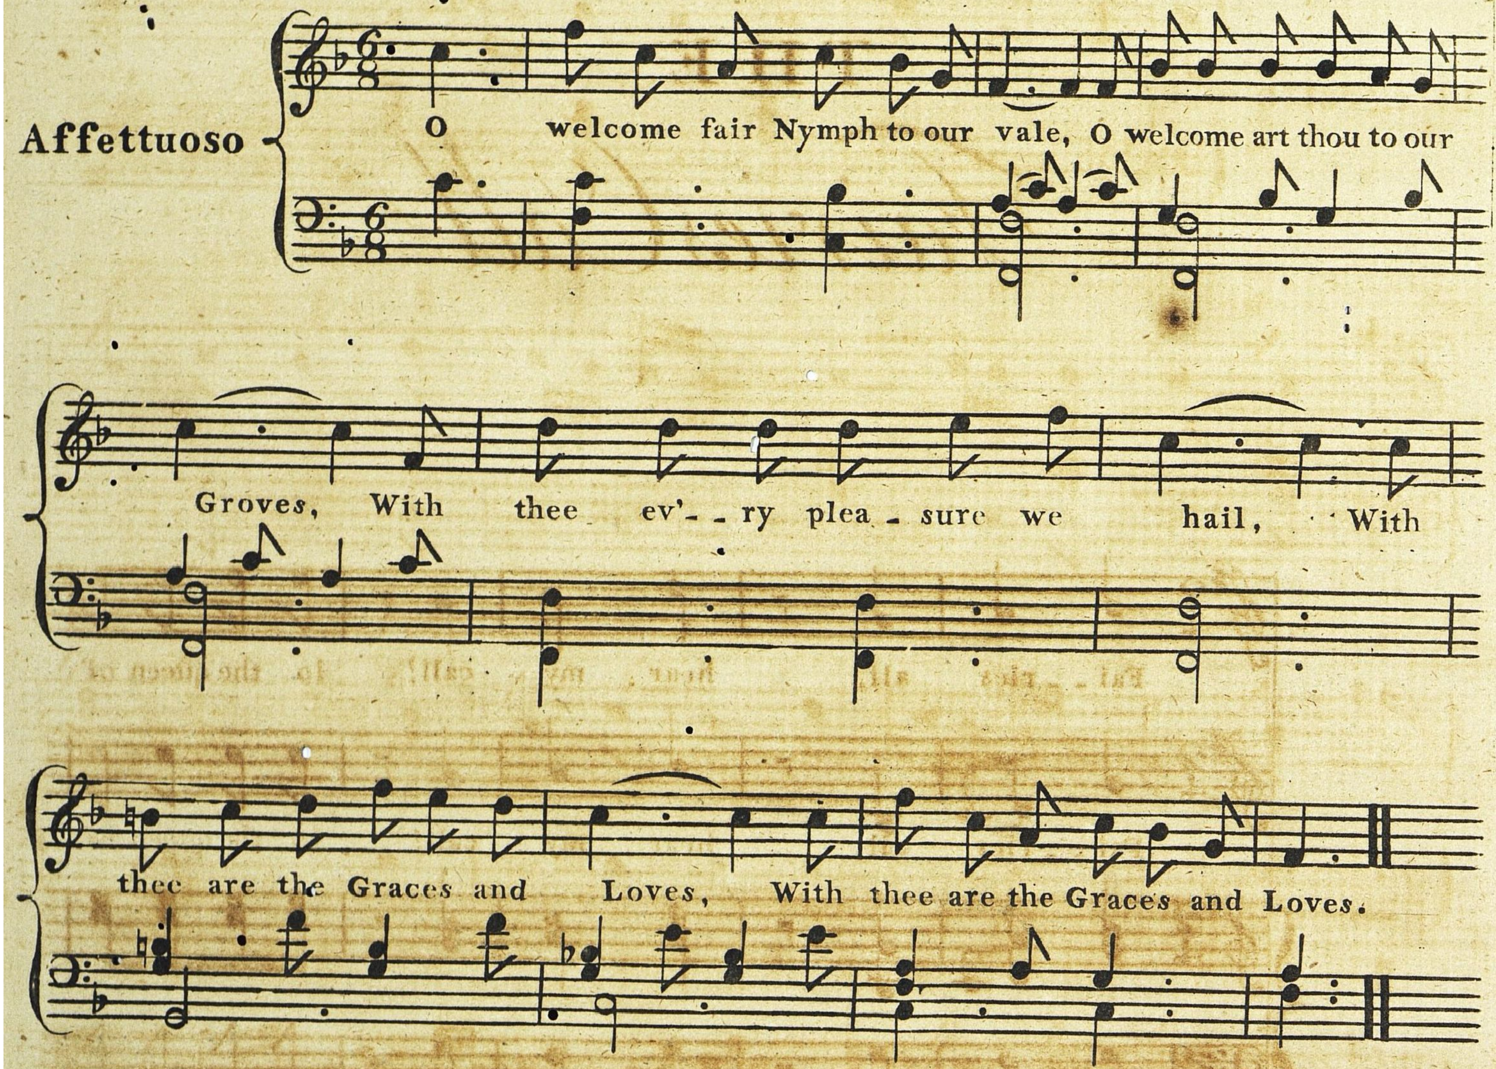


2

Let me not despise the chain,
Nor endeavour to be free;
Who of bonds can dare complain,
Bonds that bind the Swain to thee?
Welcome then the chain divine,
That unites thy heart to mine.

The Welcome

REICHARDT.



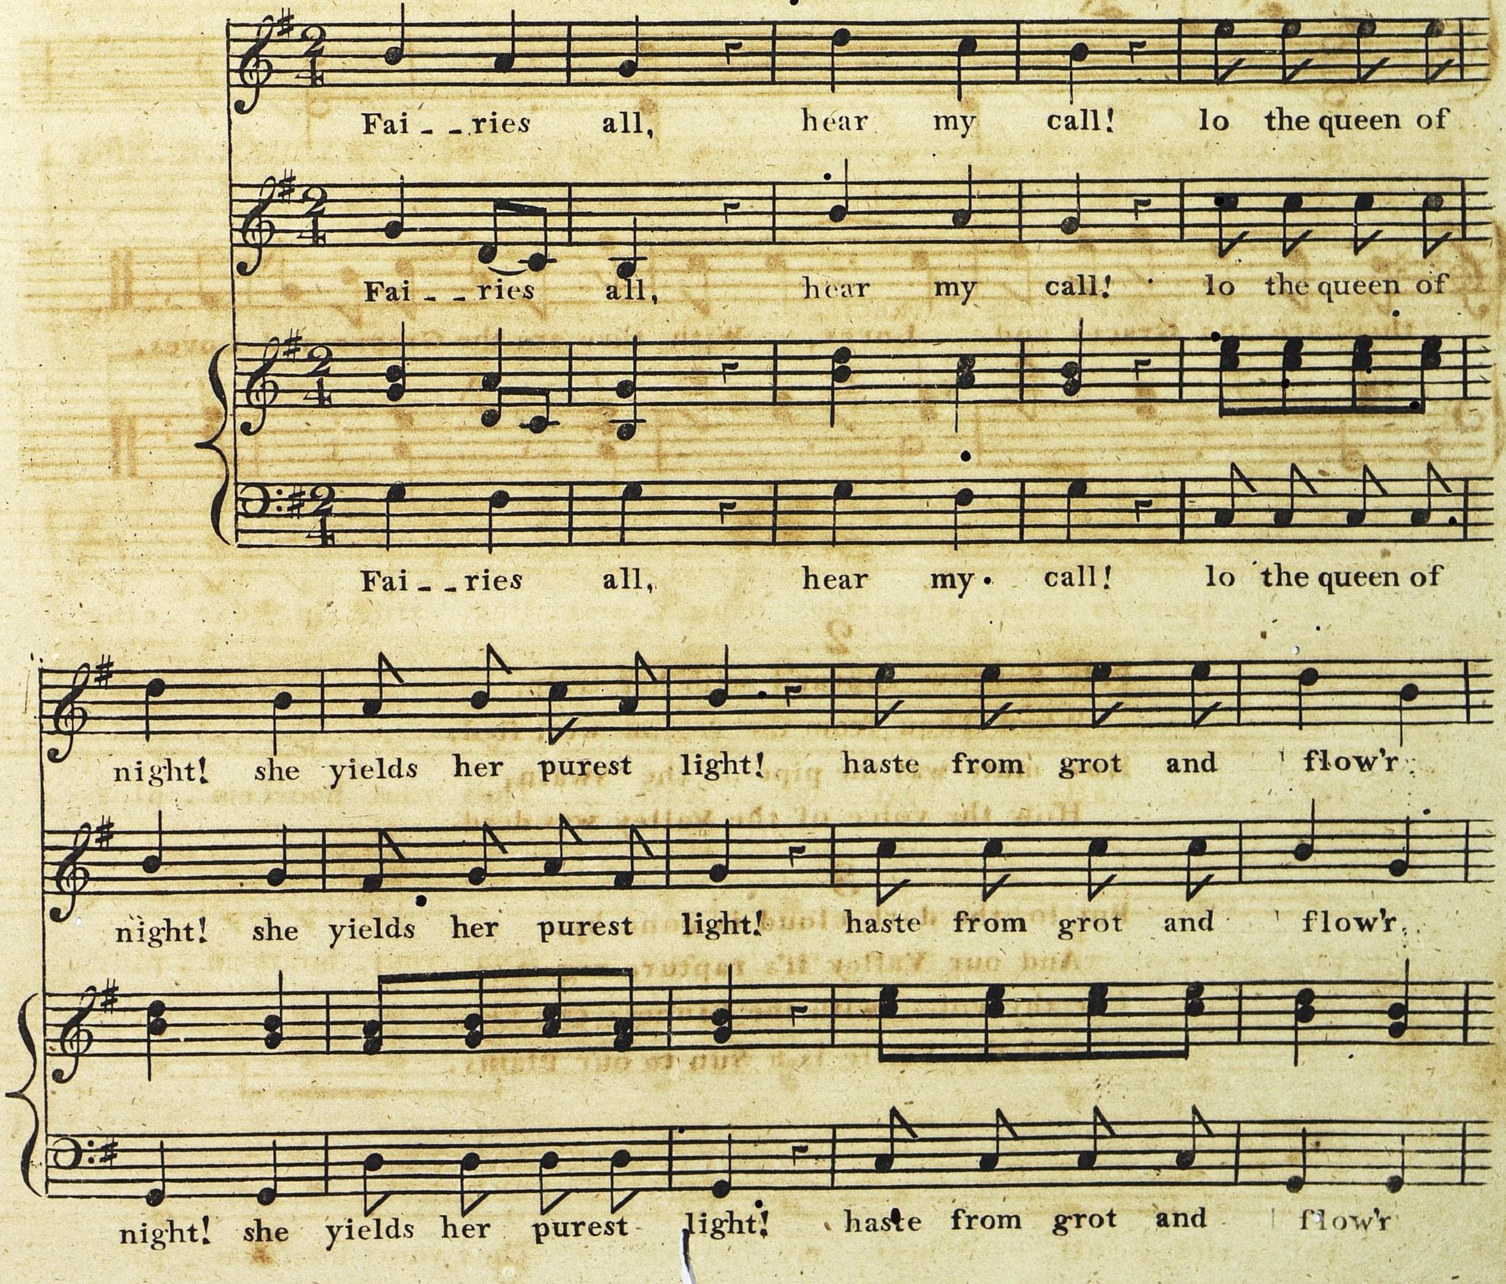
2

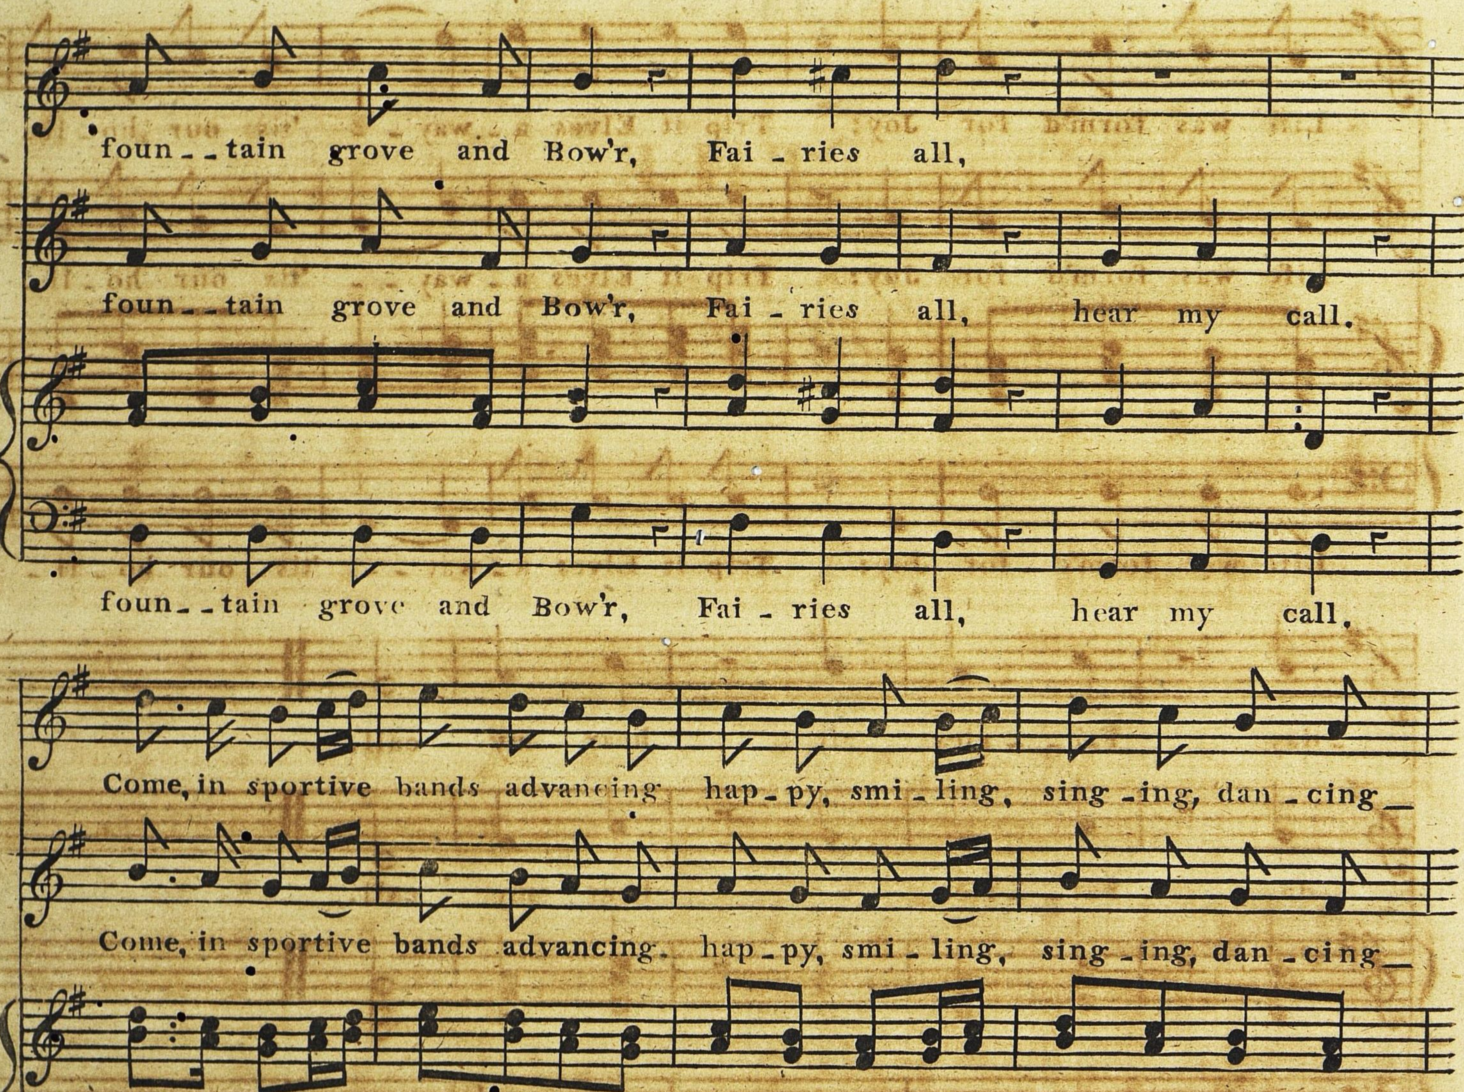
Pale Sorrow appear'd with her train,
When Thou from the region wert fled;
How mute was the pipe of the Swain,
How the voice of the Valley was dead.

3

But lo, the dark cloud is gone by,
And our Valley it's rapture regains;
For thy voice with the Linnet's can vie,
And thy Smile is a Sun to our Plains.

THE Fairies Call





foun_tain grove and Bow'r, Fai_ries all,
foun_tain grove and Bow'r, Fai_ries all, hear my call.
foun_tain grove and Bow'r, Fai_ries all, hear my call.
Come, in sportive bands advancing hap_py, smi_ling, sing_ing, dan_cing_
Come, in sportive bands advancing hap_py, smi_ling, sing_ing, dan_cing_
Come, in sportive bands advancing hap_py, smi_ling, sing_ing, dan_cing_
Fai_ries all, hear my call, Thus your hours em_ploy.
Fai_ries all, hear my call, Thus your hours em_ploy.
Fai_ries all, hear my call, Thus your hours em_ploy.

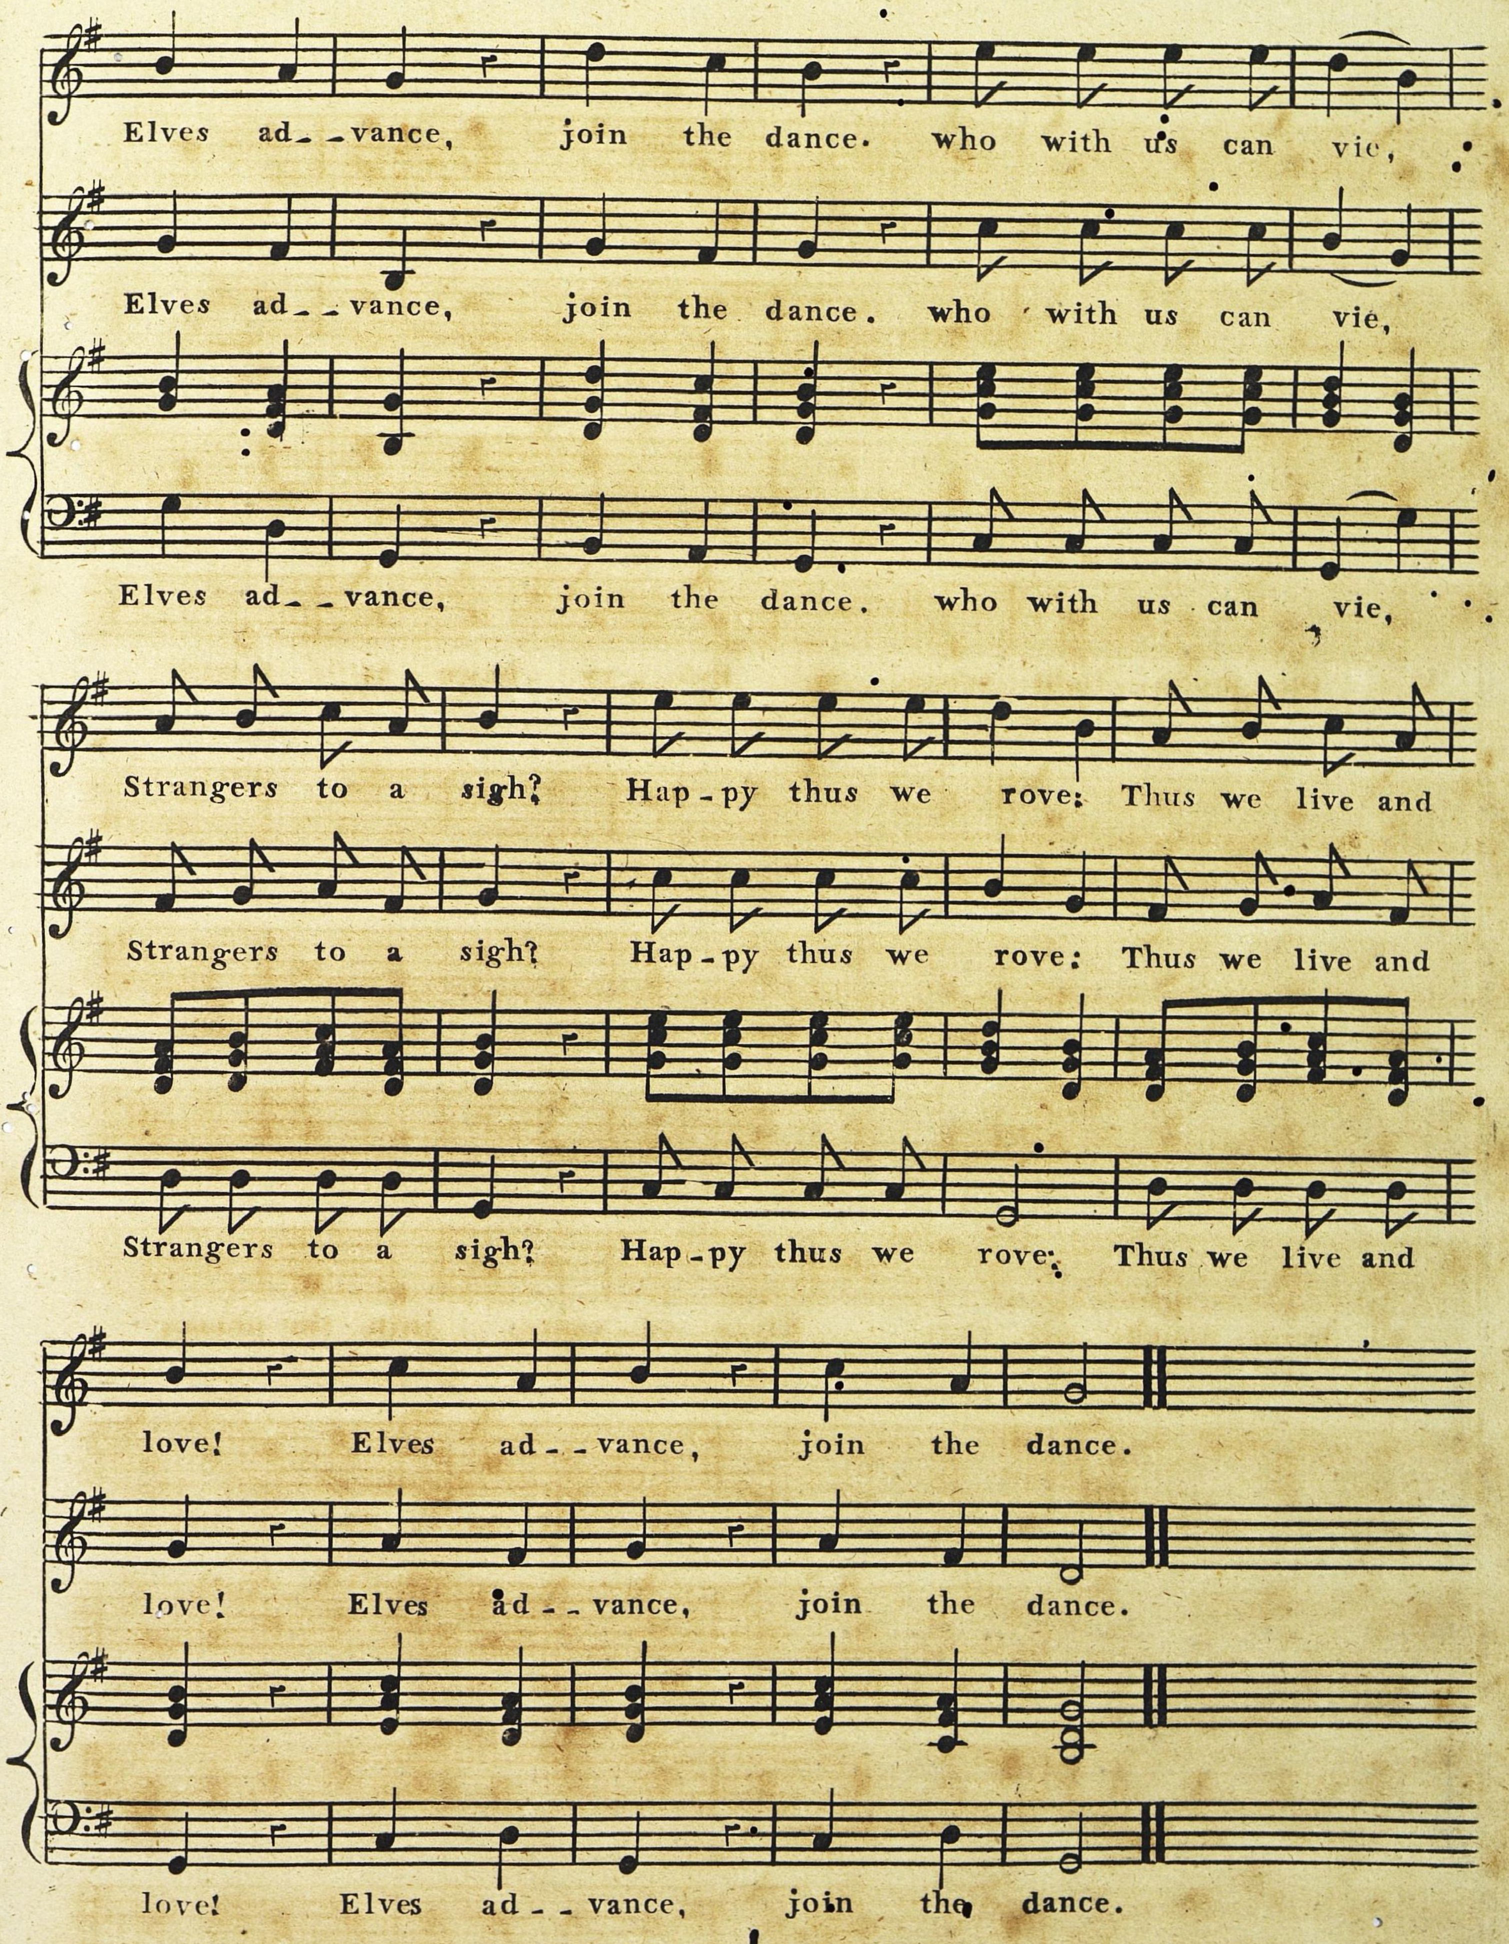
'Mid the moon-light scene. Ev'-ry hour is fair!
'Mid the moon-light scene. Ev'-ry hour is fair!
'Mid the moon-light scene. Ev'-ry hour is fair!
We know nought of Care! Elves ad-vance,
We know nought of Care, Elves ad-vance, join the dance:
We know nought of Care, Elves ad-vance, join the dance:
Like the night will be to-mor-row; Mor-tals on-ly taste of sorrow:
Like the night will be to-mor-row; Mor-tals on-ly taste of sorrow:
Like the night will be to-mor-row; Mor-tals on-ly taste of sorrow:



Elves ad - vance, join the dance. who with us can vie,
Elves ad - vance, join the dance. who with us can vie,
Elves ad - vance, join the dance. who with us can vie,
Strangers to a sigh? Hap - py thus we rove: Thus we live and
Strangers to a sigh? Hap - py thus we rove: Thus we live and
Strangers to a sigh? Hap - py thus we rove: Thus we live and
love! Elves ad - vance, join the dance.
love! Elves ad - vance, join the dance.
love! Elves ad - vance, join the dance.
